To ensure optimum play time and safe charging for your Collar 2 please make sure you use certified chargers and cables.

Do's and Dont's

To ensure safe operation and warranty coverage, please adhere to the following rules:
1. Please note that sustained listening to music over 70% volume is not recommended.
2. Do not drop, disassemble, open, crush, bend, puncture or burn the Collar 2 as any kind of physical damage is not covered under warranty.
3. Do not place it close to any heat source (such as radiators, heating equipment, stoves, or other heat-generating equipment).
4. Before wiping with a dry cloth, switch it off and unplug the power cord from the power outlet.

How to Claim Mivi Warranty?

Mivi Collar 2 is covered with 1 year warranty against manufacturing defects. In case you would like to claim warranty please send an email with details of the issue you are facing and order information to the Mivi support email:

support@mivi.in
